

ServeNoMaster 093: Bad Business Partners Can Destroy Your Business - Find Out How to Protect Yourself

Highlights:

- [3:30] - Make money alone first when you are starting out
- [5:05] - Wait until you really know what you can and can't do by trying things
- [7:40] - When getting a business partner, you should know what the other person is doing
- [9:22] - Do an entire launch on your own and then start to work with someone when you can assess the measure of success
- [11:54] -When working with partners, you can get pulled into decisions you are not sure about
- [13:16] - You are more cautious in the right ways when you're starting on your own
- [15:06] - Every decision has to be mutual when you have a partner
- [17:27] - Walk out of the room if you have a bad feeling
- [19:45] - Wait until you understand what you're doing and you make some money online before you get a partner
- [21:27] - Remember to diversify to avoid a single point of vulnerability
