

ServeNoMaster 125: Staying Alive When You Travel Abroad

Highlights:

[2:39] Accidents are a major danger when living abroad.

[6:10] The Laws of Physics still exist even when you are abroad.

[7:58] When you do multiple dumb things at the same time, life gets worse when you travel abroad.

[11:24] Travel insurance.

[15:04] Take responsibility for your own security.

[20:53] If you haven't travelled abroad, you don't realize that you need to be responsible for your own health and security.

[23:24] Always be prepared. You are responsible for your family and your safety.
