

ServeNoMaster 140: Machine Gun Books - How To Crank Out Books Like A Machine Gun

Highlights:

- [3:33] Don't just research one book or one idea. Already research about 10 ideas connected to each other. This gives you an idea about your trajectory.
- [6:26] Outsource any part or phase that you are not good at such as book covers and making the outline or doing the research.
- [9:26] Create the table of contents for your 10 book ideas.
- [10:30] Work on something in between finishing writing the book and the editing process.
- [11:46] While your friends or editors are reading your book, work on something else to clean the palate.
- [14:37] Space is an important part of the writing process.
- [17:09] The deeper your catalog, the more successful you will be in Amazon.
- [18:54] It's ok to have a plan and then adapt.
