

## ServeNoMaster 114: How to Make Thousand Dollars This Month

### Highlights:

[2:38] Step 1: Mindset - change the way you think about work and money. Be willing to do whatever it takes.

[6:23] Step 2: Article Mills have a lot of opportunities for writers at different levels. Join 3 article mills even if you have to start at the bottom.

[9:40] Step 3: Create 10 articles for your portfolio in these topics:

- (1) weight loss
- (2) trouble sleeping
- (3) survivalism
- (4) internet / software / tech
- (5) hardware technology
- (6) dating relationships
- (7) health
- (8) make money online
- (9) fashion wearables
- (10) parenting

[18:37] Step 4: Create and prepare your portfolio by

- (1) converting your articles to PDF
- (2) creating intelligent file names
- (3) merging the files into a zip file
- (4) creating a link to your portfolio

[23:10] Step 5: Begin writing for article mills. Build your profile resume in each mill and take as many jobs as you can do even if they are crap at the beginning.

[27:37] Step 6: Start future proofing by beginning to capture real estate online. Look for ways to advertise yourself and your work in various websites.

[29:56] Step 7: Do discount work in order to have reviews and testimonials.
